PETITION FOR PATENT TERM ADJUSTMENT

Sir:

Patentee respectfully requests review of the Patent Term Adjustment determined for the above-identified patent. A depository account payment of \$200.00 for payment of the fee associated with this request has been paid concurrently herewith. Please charge any additional fee required and credit any overpayment, to Deposit Account **06-1205**.

This patent was provided with a Patent Term Adjustment of 37 days. However, for at least the following reasons, this Patent is entitled to a PTA of 64 days.

The data available from the USPTO PAIR system incorrectly indicates 27 days determined for Applicant's Delay by filing after allowance an Information Disclosure Statement, filed June 14, 2006.

Respectfully submitted, this is incorrect.

Applicants' June 14, 2006 paper was not an Information Disclosure Statement; Applicants' June 14, 2006 paper requested consideration of their September 24, 2004 Information Disclosure Statement. Moreover, Applicants also earlier requested consideration of the September 24, 2004 Information Disclosure Statement prior to their June 14, 2006 paper (see the April 5, 2006 Amendment at page 14, lines 1-5).

Accordingly, any delay in prosecution here is the Patent Office's fault and is not to be ascribed to Applicants.

Patentee's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
